

vini biologici

**CAMPARO**
VINO BIOLOGICO

Decanter

DECANTER - MAY 2013

Barbera d'Alba 2011
Denominazione di Origine Controllata

HIGHLY RECOMMENDED - 90 POINTS

Violet and mint aromas as well as coffee, blackberry and spicy cocoa. Minty blueberry and summer fruits on the captivating palate; very well presented with lots of charm, poise and sophistication. Serious Barbera; can only improve with a few more years of bottle age.
