VINO BIOLOGICO

WALTER SPELLER - BAROLO THE SENSATIONAL 2008S

## Barolo Boiolo 2008

Denominazione di Origine Controllata e Garantita

See the Nebbiolo guide for more articles and tasting notes from the 2012 Nebbiolo Prima and read this in conjunction with Barolo – what's so great about 2008.

Concentrated ruby with orange-tinged rim. Ripe fruitcake nose but not without complexity. Pretty genuine on the palate, with elegant weight, but (oak) tannins seem rather dry.
